Junior Golf Coaching

The best way for juniors to learn new skills is to have them perform golf practice drills that are fun and challenging for them to do, to improve in a friendly environment.

Everyone involved in junior sport knows that children love to be involved and take part in “games” that are not necessarily competitive but give the child a sense of accomplishment when they can complete the drill or exercise.

Peterhead Golf Club is in the process of organising junior golf coaching which will be held at Berryhill Driving Range, Longside Road, Peterhead from Thursday 1st March 2018.

Golf clubs can be supplied if required.

Minimum age shall be 5 as of the 1st March 2018.

Sessions will be approximately 30 – 45 minutes (to be confirmed)

Age groups will be allocated subject to response.
